

We believe Double Z is the leading (Australian-owned) EDI Solution Provider in Australia today. With 30+ years in EDI, our knowledge and experience with Aust/NZ Retail, Pharma and Automotive Industries is unparalleled. Double Z has provided EDI solutions to thousands of clients in Australia and New Zealand and deals with hundreds of Trading Partners around the globe.

Our aim is to ensure that the process of electronic trading is made easy and inexpensive, producing maximum benefits for our customers. The result is any size business, Sole Trader to Enterprise, can enjoy the benefits of our EDI Solutions.

- We** offer:
- EDI and Communication Software (**EDIPlus**, **WEBPlus** & **AS2Plus**)
 - Support for GS1 Standards: X12, EDIFACT, GS1XML as well as non-EDI incl .csv, xml, flat files etc
 - EDI Support for: MIG creation, Retailer Portal, EDI Network provision etc
 - Solutions for Retailers, Corporates & Manufacturers
 - Solutions for all Suppliers – we have EDI solutions for any size business

Electronic Trading – Document or Message types

- Our** network services
- Our EDI Solutions can connect to ANY retailer, manufacturer or 3PL in the EDI world. This provides great flexibility and keeps costs down
 - We utilise our own extensive international network covering AU/NZ, Asia, EU and USA
- ZEDPlus** – Our primary network to most retailers in AUS/NZ *
- Additionally, we partner with the World's largest EDI network
- NETPlus** – A secondary network using the OPENTEXT network

*includes use of interconnects with other AU & EU VANs
